

Important Recital Information

Running orders

It is very important to check each running order to make sure there are no consecutive routines for dancers. Please let us know asap if you find any errors.

Programs

Please check to ensure there are no errors or omissions. The deadline for changes will be Friday, April 19th.

Sunday, April 28th

This rehearsal is to take place on the main stage at the Arts and Culture Centre and is very important. Please make every effort to attend. We ask that (only) one caregiver attends this practice and no additional family members/siblings/friends. You will be permitted to stay but we ask that you arrive on time and leave immediately after to alleviate congestion in the auditorium. We also ask that you do not stay to watch the other dances.

There is absolutely no food or drink while in the audience. If dancers require a snack, we will have dressing rooms assigned.

Students are to arrive in full costume. If dancers are participating in more than one song, they should arrive in their first costume (as listed in the rehearsal schedule posted online) and bring the remaining costume(s) to change into once the first staging is complete. We will have assigned dressing rooms for the dancers to change. **Please make sure everything is fully labeled.**

All students are asked to enter and exit the Arts and Culture Centre via the north door. This is the entrance facing the parkway on the side of the Arts and Culture Centre. It is the entrance next to the electronic billboard. It is the same entry way used in previous years.

While we aim to keep all practice times as scheduled, this is a rehearsal with the Arts and Culture crew. We apologize in advance if the rehearsal times vary from the assigned times. We appreciate your patience and understanding as we work to ensure everything is perfect for the recital.
