

Quick Change List

If your dancer is in multiple classes, please review this info to make sure they are on the quick change list.

For our younger students, a routine is considered quick change if there are 10 numbers between. For older students, a quick change would be 6 dances or less. They will need to bring their costumes/shoes/tights backstage to dressing room #4 before the recital. Please make sure everything is labeled.

Quick Change-Show 1
