

Dress Rehearsal

This is a reminder about our dress rehearsal at the Arts and Culture Centre on Saturday, April 25th. A detailed rehearsal schedule is available on our website at www.fusiondance.ca under *Important Info*. Please look for the blue link titled “**Recital Information 2026.**”

When you arrive, please gather next to your song-name sign in the main lobby. A studio representative will locate each group there and escort dancers backstage. Due to updated Arts and Culture Centre policies, students and families are not permitted to watch from the theatre as in previous years. Dancers will be escorted backstage at their assigned time and returned to their caregiver in the main lobby afterward. Because of capacity regulations, please do not arrive early or remain after your dancer has finished.

For this rehearsal, dancers must be in full costume. Younger students may be accompanied by **one** chaperone only. No additional family members or friends are permitted, and you must leave immediately after your dancer has finished. Older students (age 13+) do not require a guardian to attend.

Dancers should arrive fully dressed. If they have a costume change, please bring the additional items in a separate, clearly labeled bag. Dressing rooms in the main lobby will be available for changes. Students in multiple dances are asked to wait in the lobby/assigned dressing rooms until the next rehearsal time.

Participants must enter through the **north side accessible entrance** on the Prince Phillip Parkway side (near the digital billboard). Please note that there will be **no classes at the studio from April 25–28 (inclusive)**.

Dismissal Procedure

Please review our dismissal procedures on the website under *Important Info*.

Students participating in multiple dances will exit the theatre with the final group they perform with. Caregivers can meet dancers on this level. As a general guideline, older students will be located on the upper concourse and younger students on the lower concourse.

Quick Changes

If your dancer is in multiple routines, please review the information on our website to confirm they are on the quick-change list. A routine is considered a quick change if there are **10 numbers or fewer between performances**. Before the recital, dancers must bring

their costumes, shoes, and tights backstage to **Dressing Room #4**. Please ensure all items are clearly labeled and remember to collect them after the show.

Costumes

The studio will close on **Thursday, April 23 at 9:00 PM**. All costumes must be picked up by this time.

It's the most wonderful time of the year!
